

# KIRINYAGA UNIVERSITY LIBRARY

## HOW TO ACCESS E-RESOURCES.

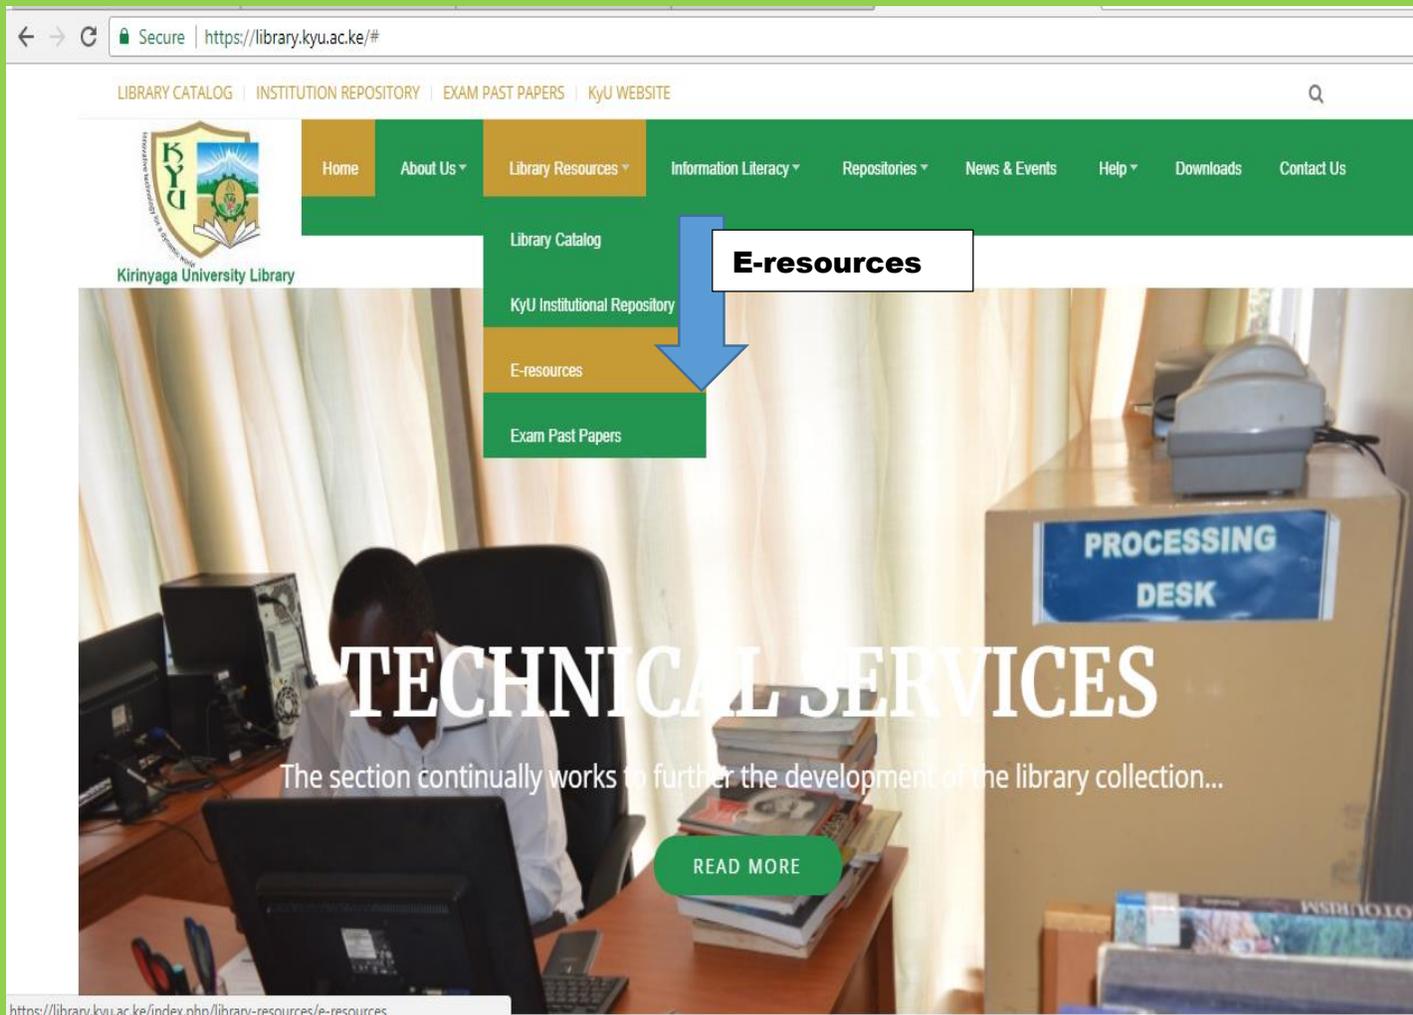

1: Open the library website homepage using the following link  
<http://library.kyu.ac.ke/>

2: On the main bar, click on **LIBRARY RESOURCES**. It outlines all the resources found in our library website as shown below.

The image shows a screenshot of the Kirinyaga University Library website. At the top, a blue arrow points to the 'LIBRARY RESOURCES' menu item in the navigation bar. The navigation bar includes links for Home, About Us, Library Resources, Information Literacy, Repositories, News & Events, Help, Downloads, and Contact Us. Below the navigation bar is a banner for the 'READING AREA' featuring a photograph of students sitting at desks in a library. The banner text reads: 'The Section provides a focal point for the promotion of reading & literacy in libraries.' and includes a 'READ MORE' button.

3: On the library resources menu click on e-resources as shown below.

<https://library.kyu.ac.ke/index.php/library-resources/e-resources>

KIRINYAGA UNIVERSITY LIBRARY  
HOW TO ACCESS E-RESOURCES

4: Once you click on e-resources a list of databases is therefore displayed as shown below.

Kirinyaga University Library

**KIRINYAGA UNIVERSITY ONLINE DATABASES**

Kirinyaga University Library subscribes to peer reviewed full text electronic journals and books to support teaching, learning and research activities of the University. The available electronic databases cover all subject areas. The major databases and their subject coverage are summarized below. Kindly access the databases for more information.

**LIST OF ONLINE DATABASES**

Database Name	Subject Strength
 DE GRUYTER	Chemistry, Geoscience, Engineering, History and Life Science <a href="http://degruyter.com">http://degruyter.com</a>
 MUSE	Humanities and Social Sciences <a href="http://www.muse.jhu.edu">http://www.muse.jhu.edu</a>
 Springer	Bio-Medicine and the Life Sciences, Clinical Medicine, Physics, Engineering, Mathematics, Computer Sciences, Human Sciences, Social Sciences and Economics. <a href="http://www.springer.com">http://www.springer.com</a>

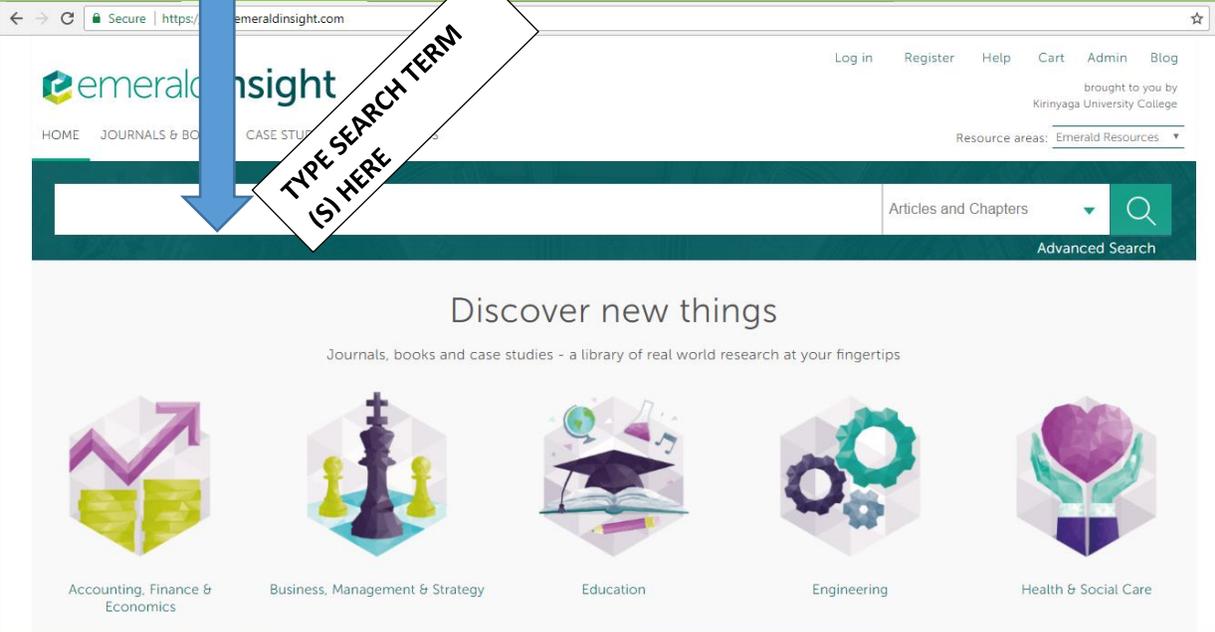

e-BOOKS (OPEN ACCESS)

 Booksee.org	Multidisciplinary e-books library. <a href="http://en.booksee.org">http://en.booksee.org</a>
 doab	All scientific and scholarly subjects are covered <a href="http://www.doabooks.org">http://www.doabooks.org</a>
 ERIC	Education & Literature <a href="http://eric.ed.gov">http://eric.ed.gov</a>
 esri	Geographic Information Systems <a href="http://www.esri.com">http://www.esri.com</a>
 FreeBookCentre.net	Computer Science, Physics, Mathematics, Electronics, and Medical books

5: Each database has its own subject strength as shown below

Database Name	Subject Strength
 Emerald Insight	Accounting, business, Education, library science, Sociology, transport, health and Engineering. <a href="http://www.emeraldinsight.com">http://www.emeraldinsight.com</a>
 HINARI ACCESS TO RESEARCH	Ethics, Gynaecology,Obstetrics, Haematology, Human Anatomy, Immunology,Allergy, Infectious Diseases, Internal Medicine Law, General Microbiology, Ethics, Gastroenterology, Genetics Geriatrics, Gynaecology Obstetrics Haematology, Human Anatomy, Medicine, Nursing <a href="http://www.who.int/hinari/en/">http://www.who.int/hinari/en/</a>

6. For example, if Emerald is chosen, it will display its user interface as shown in the figure below.

TYPE SEARCH TERM (S) HERE

Discover new things  
Journals, books and case studies - a library of real world research at your fingertips

- Accounting, Finance & Economics
- Business, Management & Strategy
- Education
- Engineering
- Health & Social Care

7. On the search bar type the terms to search on e.g. A search on 'clinical methods', the results displayed are as shown above.

The screenshot shows a search results page for the query 'clinical methods'. The search bar at the top contains the text 'clinical methods' and a search icon. Below the search bar, the page is divided into several sections:

- Search Results:** Shows the search criteria and results. The search bar contains 'clinical methods'. The results are displayed as a list of articles and chapters. The first result is 'Applying mixed methods research in evaluating clinical trials' by Lyn Murphy and William Maguire. The second result is 'Using practical outcomes to measure clinical performance in the children's asthma clinic' by Victoria Alexander et al. The third result is 'Differentiating clinical governance, clinical management and clinical practice' by Niamh M. Brennan and Maureen A. Flynn. The fourth result is 'Clinical governance: its origins and its foundations' by S. Nicholls et al. The fifth result is 'Discharge planning in a cardiology out-patient clinic: a clinical audit' by Shirley Ingram and Barkat Khan.
- Order results by:** Relevance (selected), Newest First, Oldest First.
- Results:** 1 - 20 of 14630.
- Icon key:** You have access to, Partial access, Backfile, Earlycite, Abstract only.
- Search History:** SEARCH HISTORY, SAVED SEARCHES.
- Recently Searched:** A list of search terms and their corresponding number of results: 'Anywhere: clinical methods (Articles/Chapters - 14630)', 'Anywhere: clinical methods (Articles/Chapters - 0)', 'Anywhere: clinic methods (Articles/Chapters - 14630)', 'Anywhere: health clinic model (Articles/Chapters - 11361)', 'Anywhere: health and small clinics (Articles/Chapters - 10133)'. There is also a 'Select the database of your choice below' box with a blue arrow pointing to the search results.
- Refine Search:** FILTERS APPLIED: None. Keyword: Health Care (717), Health Services (469), Hospitals (452), United Kingdom (444), +More. Publication Date: Last Year (1200), Last 6 Months (601), Last 3 Months (359), Last Month (155). Publication: International J Health Care QA (978), J of Health Org and Mgt (705), Int Journal Health Governance (389), British Food Journal (350), +More. Subject: Health & social care (5332), Healthcare management (2128), Health service delivery (1693), Health service quality (1626), +More.

8 There are icons highlighted in green explaining the extent to which you will be able to access the document. I.e. full text, abstract only, partial access, etc.

The screenshot shows a search results page on Emerald Insight. The search term is "clinical methods". The results are categorized into "ARTICLES/CHAPTERS (14630)" and "CASE STUDIES (51)". The first result is "Applying mixed methods research in evaluating clinical trials" by Lyn Murphy and William Maguire. A green square icon is placed next to the first result, indicating full access. A blue arrow points from a box labeled "Green icon" to this icon. Below the icon key, the following options are listed:  You have access,  Partial access,  Backfile,  Earlycite, and  Abstract only. The page also includes a search history section, a refine search section, and a filters applied section.

9. Select the most relevant document in regards to your needs. Note that, the full text documents are either in pdf format or html format. Select either as shown below.

The screenshot shows a search results page for 'clinical methods'. The search results are sorted by Relevance, showing 14630 articles/chapters and 51 case studies. The first two results are highlighted with blue arrows and text boxes:

- Result 1: "Applying mixed methods research in evaluating clinical trials". The annotation "Select pdf format here" points to the "PDF (235 KB)" link in the document options.
- Result 2: "Using practical outcomes to measure clinical performance in the children's asthma clinic". The annotation "select html format here" points to the "HTML" link in the document options.

Other visible elements include a search history sidebar, a 'Refine Search' section with filters applied (None), and a 'Keyword' section with filters like 'Health Care (717)', 'Health Services (469)', and 'Hospitals (452)'.

10. When pdf format is selected, it will display the title, citation, author (s) and even abstract. Click on the PDF icon to allow for downloading as shown below

The screenshot shows a journal article page with the following content:

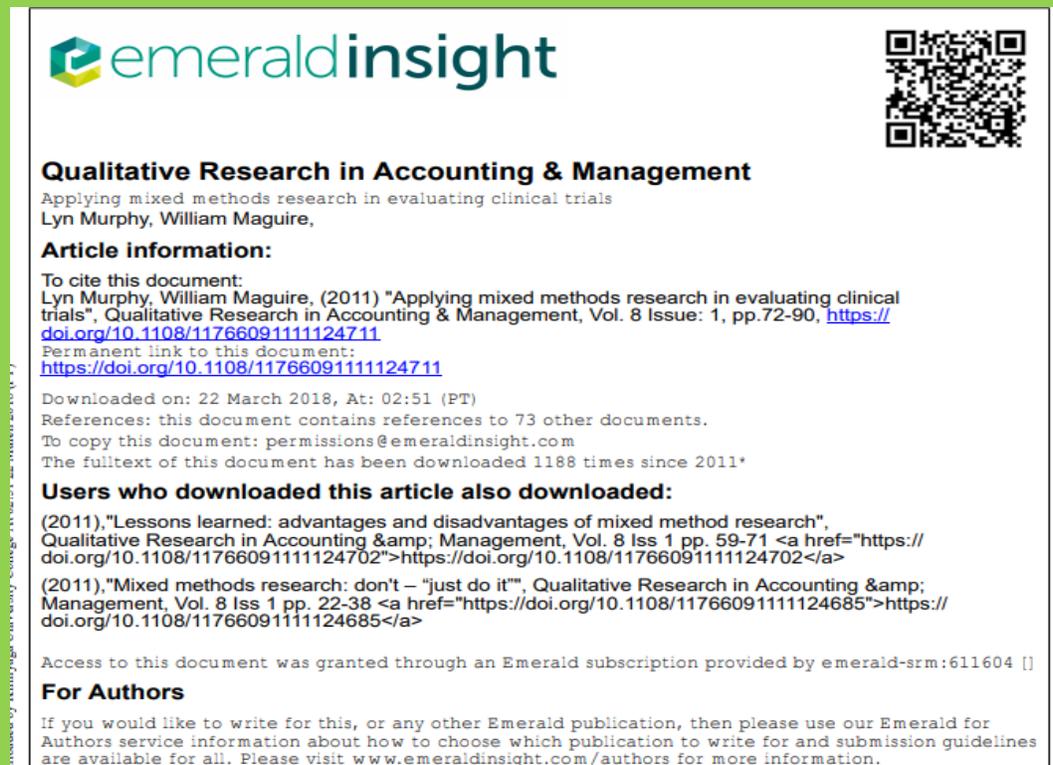

- Title:** Applying mixed methods research in evaluating clinical trials
- Author(s):** Lyn Murphy (School of Accounting and Management, Manukau Institute of Technology, Manukau, New Zealand) and William Maguire (School of Accounting and Corporate Governance, University of Tasmania, Hobart, Australia)
- Abstract:** Purpose - The purpose of this paper is to report on the decision process that the authors follow in applying mixed methods research to evaluate the benefits and costs of conducting sponsored clinical trials in a publicly funded New Zealand hospital.
- Design/methodology/approach:** - A simultaneous parallel mixed method design was adopted. This design builds on a health outcomes study that involves a retrospective cohort study of changes in participants' health status and mortality rates. Although a team of medical researchers conducted that study (i.e. the

On the right side of the page, there is a sidebar with the following elements:

- Select Language** (dropdown menu)
- Powered by **Google Translate**
- Article Options and Tools** (teal header)
- PDF** (highlighted), **Abstract**, **More** (dropdown)
- Citation and Reference** **More** (dropdown)
- Favourites** (social media icons: RSS, Twitter, Facebook, LinkedIn, YouTube, etc.)
- Journal Information** (teal header)

A red box highlights the **PDF** option, and a blue arrow points to it with the text "Select pdf format to download".

11. It will open a document like the figure below.

The screenshot shows the Emerald Insight website interface. At the top left is the Emerald Insight logo, and at the top right is a QR code. The main heading is "Qualitative Research in Accounting & Management" with the subtitle "Applying mixed methods research in evaluating clinical trials" and authors "Lyn Murphy, William Maguire". Below this is the "Article information:" section, which includes instructions on how to cite the document, a permanent link to the document, and download statistics. A section titled "Users who downloaded this article also downloaded:" lists two related articles. At the bottom, there is a "For Authors" section with information on how to contact the publisher.
