UNIVERSITY LIBRARIAN	VICE CHANCELLOR

KIRINYAGA UNIVERSITY  
P. O. Box 143 - 10000,  
KERUGOYA.

## FOREWORD

Information and Communications Technology (ICT) has become a critical driver of knowledge through learning and research. Kirinyaga University recognizes that use of ICT in the library is critical to transformation of learning and research in the institution to ultimately meet the University's requirement of a globally competitive institution of higher learning.

This Policy guides the University in acquisition, usage, maintenance and security of library ICT resources and provides guidelines for proper management and utilization of ICT in delivery of library service.

Prof. Mary Ndung'u

VICE CHANCELLOR
